* Corresponding author

Abstract:

Type your abstract text here. The abstract should concisely summarize your research. Please strictly adhere to the word limit (**maximum 300 words**). The entire submission (including title, authors, abstract body, keywords, and references) must fit within **a single A4 page**. Avoid using non-standard abbreviations or complex equations unless necessary. References should follow APA style.

Keywords: Keyword 1; Keyword 2; Keyword 3; Keyword 4 (3-5 keywords).
